

## FORM 3A: Declaration of Prior Payments

In this Form there are questions about prior payments you have received in relation to the abuse. Before you make a start you may want to think about who could give you some support if you would like it.

### What will be shared?

#### Information Pathways may share in the Step 3: Resolution process

Your answers in Form 3A will be shared with the participating church authority (or authorities) they are relevant to. The relevant church authority may be a diocese or other entity associated with a church organisation or body (e.g. church, school or agency).

This exchange of information is necessary to evaluate your application for monetary compensation.

### Declaration of Prior Payments

The next questions are about prior payment(s) you may have received in relation to the abuse. These payments may be taken into account in the Step 3: Resolutions process.

#### What prior payments do I need to include?

Please tell us about payments that have been made to recognise the harm done, such as Melbourne Response, Towards Healing, Victims of Crime or any payments made in resolution of a civil claim.

It is important for Pathways to know if part of any prior payment was made for legal costs or other expenses (for example, medical, psychological and counselling or other treatment).

If you have settlement, legal, or other documents that show the prior payment amount and when it was paid to you, please attach these.
